TOOTH TALK

Family Dental Associates, S.C.

WINTER 2016

FROM OUR OFFICE TO YOUR HOME!

The staff at Robinson & Prijic Family Dental Associates would like to extend to you our annual Tooth Talk Christmas greetings. We realize you have many health care options and we want to thank you for trusting us with your family's dental care. As you know we always try to treat every patient as if we were treating a family member. We extend our warmest wishes for a joyful, happy and healthy holiday season!

*Happy
Holidays*

To show our appreciation for the great teachers in our local school districts, we held a Facebook and In Office drawing offering a \$100 sponsorship gift to teachers. Teachers entered by submitting what they could use the \$100 for in their classrooms. We had such an overwhelming response that we did 2 drawings!

Facebook Drawing

Jodi Adler & her principal Jessica Grandt-Turke accepted on behalf of Harrison School. Jodi plans to use the \$100 to purchase books and circuits for STEM rotation.

In-Office drawing

Jennifer Sauser accepted for Madison school and plans to use the \$100 for Big Audio books for her students.

Dental Health

Once again February has been declared Dental Health Month. Each year, the doctors and staff at Robinson & Pijic try to accommodate as many classrooms as we can. Due to the high demand for our presentations, we do have to limit the number we can present. The doctors and staff members present a 30-45 minute informative, interesting and fun program. Our goal is to get each child active in the program in a fun way to stimulate their interest in dental health. If you are interested in the program please call Kathy at our office at 756-1229 to schedule a time for us to come to your classroom.

Robinson & Pijic Family Dental Associates was again voted the #1 Dentist by the Janesville Gazette readers. We would like to thank all those that voted and you can be assured that we will work hard to maintain this honor.

Keri McCormick

Roxanne Hart

Thank You!

We know that you have many choices in health care providers and we are happy you have chosen us. Our clinic tries to treat you like family with that "little extra care". Our dental care is the most progressive and painless dentistry possible in a private setting. We look forward to treating your family and friends for many years to come
